EXPERIENCE

Frontend Developer · **Plex Bit Infosystems** — Feb 2026 – Present

- Built the Paradise Hills Resort website and its admin dashboard (launching soon).
- Built the entire CMS admin dashboard that powers the company's new website, and about half of the site's frontend.
- On the Luxe multi-vendor e-commerce team, built the account and order pages, product search, blog, and brand, category and sale pages, and worked on checkout, Google sign-in and the wishlist.
- Redesigned the landing pages for Plexler (an AI learning platform), Sierra Adventurer and Prabhu Adventure, plus reusable inner-page components for Prabhu.
